

Note to Delegates

Howdy Delegates,

My name is Nini Dang and I'm super excited to be your chair for this year's committee. I am currently in school to become a doctor of Physical Therapy and I recently graduated with a Political Science degree from the University of Houston. I've been doing Model UN since my freshman year of high school and I've loved it ever since. HAMUN has been one of my favorite experiences so I hope I can make it as great as I can for all of you. HAMUN has given me the opportunity to meet a lot of the colleagues I work with/for today.. This will be my fifth HAMUN as a chair so I hope that this experience will help you learn new skills, make new friends, or interest you further in national issues and finding solutions to our world's current issues. I'm very happy to be able to meet everyone in person as well as share the beautiful UH campus with you. This conference is what you make of it so do your research, get out of your comfort zones and more importantly; have fun! If you have any questions before the conference or need advice, don't hesitate to contact me. I'm looking forward to it!
